ZONING ORDINANCE

Preamble

In pursuance of authority conveyed by chapter 51, sections 50-71 Revised Laws of New Hampshire 1942 as amended by chapters 110 & 278 Laws of 1949, and for the purpose of promoting the economic interests of the Town of Eaton, this ordinance is hereby enacted by the voters of the Town of Eaton, in official town meeting.

Section 1 — Zoning Districts

For the purpose of this ordinance the entire town of Eaton constitutes a Zoning District.

Section II — Zoning Regulations

1. No logging camp or any habitation of a temporary nature shall be permitted in the future without a permit granted by the selectmen which permit shall prescribe the conditions under which the permit is granted and require the removal of the structure when the period of its use as prescribed is terminated.

2. No signs except highway, safety, and regulatory signs and those for enterprises conducted in Eaton shall be permitted and in no case shall any sign exceed an area of over 20 square feet.

3. The operators of temporary saw mills shall, at the close, of their operation, remove, level or otherwise render inconspicuous to the public eye all unsightly waste and debris.

4. No land in the town of Eaton which is in the public eye shall be used as a dump or a yard for discarded automobiles or machinery or as a place for junk of any kind, nor shall any land be used in a way that is prejudicial to the public welfare or to the owner or occupants of adjacent property without the approval of the Board of Adjustments upon such conditions as they may determine. Notwithstanding, the Board of Selectmen upon petition, may with the consent of the land owners, designate a place or places out of the public eye and free from sanitary and fire hazards as public dumps and make regulations for use of the same.

5. All of the shore of Crystal Lake not privately owned or under the jurisdiction of the State of New Hampshire shall be restricted to the use of the residents of Eaton and their guests and non-resident taxpayers and their guests. A joint commission of the Board of Selectmen and the Board of Adjustment is authorized to make, publish, and enforce regulations governing the use of that portion of the shore within the town's jurisdiction to insure safety, sanitation and good conduct.

Section III — Enforcement

It shall be the duty of the Selectmen, and the Board of Selectmen is hereby authorized to enforce the provisions of this ordinance. Upon evidence that this ordinance is being violated they shall seek an injunction from the Superior Court or take other legal action.

Section IV — Board of Adjustment

Within thirty days after the adoption of this ordinance the Board of Selectmen shall appoint an appeal board consisting of five members — one of whom shall be a woman — to serve as a board of adjustments to hear and act on appeals that may be made regarding either enforcement or interpretation of this ordinance, as provided in the Revised Statutes as amended. The term of office shall be five years and the first appointments shall be made for such terms that there will be one vacancy each year.

Section V — Penalties

Any person, firm, or corporation violating any of the provisions of this ordinance shall be fined not more than ten dollars (\$10) for each day after the selectmen have served notice of the violation.

Section VI — Amendments

This ordinance may be amended by a majority vote of any legal town meeting providing the amendment has been published in the warrant and a public hearing held not less than thirty days before such town meeting.

REPORT OF FOREST FIRE WARDENS

Howdy, Folks!

This is your friend Smokey, the fire prevention bear, talking for Hiram Paul, your local forest fire warden.

You know how he is always asking you people to take it easy with fire in the woods? Well, he wants you to know that forest fires decreased last year. He knows it did rain some but it was the help of all you people who are giving their time and money and carefulness to prevent this shameful waste of our woodlands. But please remember this, folks, forest fires still do a lot of damage each year. And we've got to work and work to whittle them down to our size. So when you're around forest areas, crush out your cigarette, hold your match till it's cold, drown your campfire and drown it again. If you have to burn grass or brush or rubbish, ask about the law first, also get your permit from your warden and last, have plenty of help handy. Please remember a permit is required for all open fires whether in an incinerator or on a piece of plowed ground. Your local forest fire warden will help you in your burning problem and he is as close as your telephone. Please call him.

Each year forest fires destroy enough sawtimber to build all the homes in a city of one-half million people.

Each year forest fires eat up enough sawtimber to make ties for 50,000 miles of railroad tracks.

Each year forest fires destroy enough pulp-size trees to provide a 12 months' supply of newsprint for every newspaper in the United States.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES

Twenty permits were issued. There were no fires last year.

REPORT OF SCHOOL NURSE

I hereby submit my report as School Nurse for the year 1953-1954.

The annual health services offered the children of the Eaton Elementary School consist of vision testing, hearing testing, patch testing for tuberculosis and chest x-rays; innocations for whooping cough, tetanus and diphtheria; vaccinations for smallpox; and physical inspections by the school nurse. The parents are notified of any physical defects found, and it is very gratifying to report that most of the defective conditions have been corrected or are under treatment.

In March and April, 1954, Dr. Daniel F. Sullivan devoted one morning a week to the correcting of tooth decay. This service was given at a greatly reduced rate. The pupils from the first, second and eighth grades were taken to the dentist's office every Wednesday morning until the work was completed.

May I express my sincere appreciation to all those people who contributed so generously of their time in transporting the children every Wednesday to the dentist's office.

Respectfully submitted,
